## 4th July 2021 Fourteenth Sunday in Ordinary Time YEAR B

Today's readings introduce Jesus as a prophet and explain how prophets and other messengers from God inevitably suffer rejection. The readings challenge us to face rejection and hardship with prophetic courage. The first reading, taken from the book of the prophet Ezekiel, tells us about his call from God to be a prophet. Yahweh warns Ezekiel that he is being sent to obstinate and rebellious Israelites in exile in Babylon. Hence, as God's prophet, he will have to face rejection and persecution for giving God's message. In the second reading, St. Paul gives us the same warning from his own experience, that not only prophets, but apostles and missionaries will encounter hardships and rejection in their preaching mission. Today's Gospel passage, **Mark 6:1-6**, shows us that many people of Jesus' hometown of Nazareth did not accept him as a prophet because they "knew" Jesus and the family. They also "knew" that this "son of the carpenter" could not be the promised Messiah who would come from Bethlehem as a descendant of David's royal family. **Life message:** Today's Scriptures challenge us to face rejection with prophetic courage and optimism. Very often our friends, families, or childhood companions fail to listen to us and refuse to accept the words of grace, love, and encouragement that we offer to them because they are so familiar with us that they are unable to see us as God's appointed instruments, the agents of God's healing and saving grace.

*As mentioned a few weeks back in the news letter, we propose to change the 12.00pm Sunday Mass back to 11.30am to regularise the time between Masses and allow for Baptism outside the Mass at 1.00pm every first Sunday. No one has indicated violent opposition to this but if you have an opinion please speak with Fr Jackson or Fr Keith or email the office by next weekend. This will come into effect this August when we propose Mass times return to 'normal.' Thank you.*

*Fr Keith.*

**REMINDER - PARISH MEETING ON 21<sup>ST</sup> JULY**  
**8pm in the LARGE HALL**

**To discuss the restoration of a Parish Pastoral Council**

We would like to invite **ALL** the bodies associated with the parish to give a very brief verbal account (2 mins) of how they have fared through the pandemic, their plans for start-up as restrictions ease and their aspirations and concerns for the future. We will be contacting the leaders directly with an invitation to take part. We hope as many people as possible will take advantage of this opportunity to engage once again with the local church, and it's witness through the satellite activities of our parish, as well as being prepared to commit to new initiatives to insure we continue to function as a dynamic and vibrant community who know they are loved and guided by God.

*Our 10am Mass each Sunday is  
 LIVE STREAMED  
 through our Facebook page.*

### THE NEW NORMAL - WHAT DO WE WANT AS A PARISH?

Much has been said about "the new normal" when the pandemic allows things to settle down. The sort of comments heard have been:

- what did we *used* to do, that (for a year) we haven't and that we miss? How soon can we re-start?
- what did we *used* to do, that (for a year) we haven't and we *don't* miss? Do we *have* to pick them up again?
- what have we done in lockdown that we didn't do before but we want to keep doing?
- what have we done in lockdown that we didn't do before and will happily drop again?

An example of these might be "doing jigsaws was lovely, but after a year it's time to stop", or "having my shopping delivered was lovely but I do miss visiting the high street", or "I really missed hugging the family".

Those are all at a personal level - but what about at a parish level? We haven't had the Mass attendances of yesteryear - do those who've stayed away want to come back? I know that I do ... and the Obligation will be reintroduced at some point. Do we want to have social events again (probably "yes")? What have we missed that we can still do without? What have we done differently that we'd rather do the "old" way (like attending Mass without a mask, or receiving Holy Communion at the "usual" point of the service)?

The time has come, or is soon to arrive, when we will need to address these thoughts both as individuals and as a parish - as Fr Keith has said, it is our parish and we have a responsibility to run things while the Priests undertake their sacramental and pastoral roles. How can we do that? Do we need committees or working groups to coordinate (for example) the summer fair, the worship, the buildings and grounds, outreach and mission, so forth?

If so, who would serve on those groups? A comment has been made that some such groups are seen as parallel to the wider community's view of the Church of England - most of them don't go or get involved *but they feel comfortable knowing that it's there*. If someone in the parish feels that there should be (for example) a worship committee to assist the Priests with preparations for Easter or Christmas, what would they say if no-one stepped forward to serve on that committee?

Putting it bluntly, what only happens now because one or other of the Priests does it? And how would you feel if they stopped doing it (as being outside their sacramental and pastoral role) and it didn't happen? Would you be ready to step forward and say "I valued that; I want to ensure it continues; how can I help?" ... or would you let it die?

It's time to think ...

*Andy Bebington*
