SACRAMENT OF RECONCILIATION:
By appointment only

6th December 2020 Second Sunday of Advent YEAR B

So, one full week of Advent has already passed. One more candle of the Advent Wreath has been lit. Through today's Scripture readings hopefully more light from the gospel has been shed upon us and we are more aware of the need for change within. Hopefully, the outward changes of the Advent season, green to purple, Advent Wreaths, seasonal carols etc, will continually remind us of how we are called during this holy season to "change" within us those aspects of our lives that do not "announce" or "proclaim" Christ in our world. Hopefully we will find many opportunities to be renewed within in the common and ordinary duties of our daily life, whatever we are doing and whoever we are with.

Just as it would be a tragedy to allow the beauty of the change of seasons to pass us by because of distraction or indifference, it would be even more tragic to allow the season of Advent to pass us by this year without striving to "change" within, so as to become more completely configured to Him who loved us to much as to die for us so we could live eternally in the Kingdom of Heaven. We must pray that every external sign of Advent will allow us to pause and ask ourselves the question: what changes must I make within me during this holy season that will make me a herald of Christ in the world today?

*** IMPORTANT NOTICE ***

SO, WE GO BACK TO 'COVID NORMAL'!

That is to say, Mass is open to the public and the Covid timetable is restored for Sundays. Mass will be celebrated with restrictions and Communion distributed as the faithful leave the building. The cleaning regime between Masses will be as rigorous as before, masks must be worn, one way system and social distancing guidelines must be observed at all times.

What to do about Christmas? It is a difficult one to call, as under normal circumstances, we might have 16-18 hundred people through the building with family guests and 'once a year' worshippers etc. To accommodate such numbers we would need something like 13 Masses with the church at full capacity and that is not practical. At the same time numbers returning to Mass after the first lockdown are just over a third of our normal attendance.

The Bishop has issued some guidelines on the subject. He asks us to remember that we celebrate the **Octave** of Christmas. To attend any time during the octave would fulfil one's obligation. He then asks us to remember that the obligation remains **rescinded** at this time and will not be restored before the festival or indeed until the pandemic is over and it is safe to do so. Remember also that there continues to be a ban on congregational singing, so the Masses will not be the celebrations we have come to love and cherish as part of our Christmas routines.

However, as Baldrick might say, "I have a cunning plan". The **6pm Mass on Christmas eve**, which is by far the most populated Mass of the festival will be a **'SING-A-LONG' from home celebration**. Mass will be private in church but **live streamed** with all the Carols and music we will not have the opportunity to sing in church over the feast. So you can 'let rip' in your lounges with as many family and friends as you are legally allowed to gather, and as loud as you can get away with before the neighbours start knocking on the wall. In this way I hope we will be able to control the numbers of people who might be attending Mid-night Mass and the 9am, 10am, 11am and 12pm on Christmas morning. The last thing we want is to be turning people away. **The Mid-night and 10am Christmas morning Masses will also be live streamed.** Fr Jackson and I look forward to celebrating Advent and Christmas with you, and thank you for your patient understanding as we continue to consider how to do so under these challenging circumstances. **God bless. Fr Keith.**

While we have the coronavirus pandemic and lockdown here, we can still be good neighbours to our sisters and brothers overseas by giving World Gifts as Christmas presents to family and friends. The Keep Clean Kit gift for £6 and the Vegetable Garden gift for £10 are just two gifts that will help vulnerable families affected by the pandemic to protect and feed themselves. Let's spread joy and hope around the world this Christmas.

GOOD SHEPHERD MISSION TO THE HOMELESS

Sadly, due to restrictions imposed on our older members by the COVID pandemic and lack of further volunteers, the Good Shepherd Mission To the Homeless (GSMH) are no longer able to continue our work in distributing food, clothing and toiletries to homeless people in Lincoln's Inn and Waterloo. *Now seems to be a natural ending to nearly forty years of GSMH ministry inspired by Sr. Joan, DMJ, for which we are truly grateful.*

Our remaining funds and assets will be shared amongst other charities that support people who are homeless.

On behalf of GSMH. I would like to thank you for your generous support over the years. Without your contributions, the work could not have continued. *Sr. Sheila Barrett for GSMH*

FRATELLI TUTTI: The new encyclical of Pope Francis, is a message for everyone, not just Catholics or people of other faiths. The Holy Father argues that at a time of pandemic we cannot just return to politics as normal, but need to show fraternity and social friendship to build a better, more just and peaceful world. To find out more about Fratelli Tutti, please follow the links on the parish website.

How can you show fraternity and social friendship in our Parish?

Please contact one of the following groups in our Parish: the Saint Vincent de Paul Society (SVP), who visit and befriend parishioners; the Refugee Support group, who are preparing to bring a vulnerable family for resettlement in the UK, and the Justice, Peace and Integrity of Creation group, who campaign on social issues in line with Catholic social teaching. Details of how to contact these groups can be found on the website or you can contact the parish office.

THE PASSAGE: Is raising funds through the Big Give from 12pm Tues 1st December – 12pm Tues 8th December to support its work Helping Homeless People this winter. **Double your Donation, Double your impact.** This is a matched giving scheme for online donations. If someone (can be company, individual or trust) gave £10 online matched giving of £10 would bring the Gift up to £20 (and for individuals to £22.50 with Gift Aid with higher rate tax relief it may cost the donor less than £10).
