## HEARTY WELCOME: FEEL AT HOME

The central themes of today's readings are the importance of hospitality in Christian life and the necessity of listening to God before acting. The key to the Christian life is setting priorities: Jesus Christ first, then everything else. The only way really to learn that lesson is to spend some time every day, "sitting at the feet of Jesus." Today's first reading describes how Abraham and Sarah's hospitality to angels in the guise of strangers was rewarded by God, who blessed them with a son in their old age. In the second reading, Paul declares that he was commissioned by God to minister to the Church, as the revealer of the *mystery* of salvation and the preacher of the word in its *fullness*.

Today's Gospel passage describes how Martha, a genuine child of Abraham, wanted to extend the traditional generous hospitality of her people to Jesus, the true Messiah, by preparing an elaborate meal for him (while her sister Mary spent her time in talking to Jesus and listening to him; It invites us to serve others with Martha's diligence after recharging our spiritual batteries every day by prayer – listening to God and talking to God – as Mary did. We can minister truly to the needs of others only after welcoming God's Word into in our hearts and minds.

Therefore, we need listening Marthas and serving Marys: Martha has become a symbol of action-oriented, responsible people who get the job done. Our world and our parish churches need such dynamic and generous men, women, boys and girls. We need them to sing in the choir, to help in the Church, to teach in the Sunday school, to visit the sick and the shut-ins and to serve in all other ministries of the parish community.

### \*\*\* FOOD BANK - MORE HELP NEEDED! \*\*\*

The Justice, Peace and Integrity of Creation Group has been linking our Parish with The Vine Food Bank, New Addington, for some years. This involves initially ensuring that a note goes in the newsletter the week before. The next step is gathering up the generous offerings after the midday Mass on Sunday when it is likely that no more will arrive.

At present these are taken into store locally, in the house of one of the Group's members, as the Food Bank is only open to receive donations on Tuesday evenings and Saturday mornings. It is generally on a Tuesday evening that one of our (very few) volunteers takes the donations to New Addington. It is for this stage that the Group seeks additional volunteers as, at present, there are only three drivers on a rota for this element of the overall task.

We were delighted to hear from Fr Keith that we should check with the Office to see if he or Fr Jackson might be available. While this is a wonderful offer, we would hope that our fellow parishioners would agree that we should value the priests' commitment to their sacramental and pastoral responsibilities above our need to have a priest driving our offerings to The Vine. With this in mind, we invite you to come forward, anyone with a medium-sized car or larger, who might be available on a Tuesday evening to collect the food donations from the "store" in someone's house in Addiscombe and deliver it a few miles away. This is a monthly event and clearly the more drivers we have, the less frequently any of them would be asked to give up part of an evening.

If one of those people could be you, please contact Chris Sciberras on [sciberraschris7@gmail.com](mailto:sciberraschris7@gmail.com) to find out more, get the details and join the rota. This is **your** chance to put faith into action!

Many thanks

Andy Bebington, for the Justice, Peace & Integrity of Creation Group
