## URGENT

Today there will be a second collection for the people of Ukraine.

We are in contact with a group ferrying by ambulance supplies directly to the capital city Kiev. They have informed us that it costs £900 in diesel alone to drive one vehicle through Europe to the war zone. That does not take into account ferry costs and any other tolls incurred.

PLEASE GIVE AS GENEROUSLY AS YOU CAN TO THIS VITAL CAUSE.

## THANK YOU.

### \*\*\* ATTENTION ALL HALL USERS \*\*\*

***The large hall kitchen is in quite a state!***

Over an extended period of time parishioners have left various items of crockery, utensils, food, drink and even a speaker (!) in the kitchen after use. **THIS SHOULD NOT HAPPEN! Therefore, in a few weeks time, we will be clearing it out completely and removing what we believe to be rubbish to make it a usable working kitchen again suitable for hall use.**

Please can any parish group, or individual, that has items stored in the kitchen, **sort them out**. Please get rid of anything that is out of date or not used and notify the parish office that it's been done, **otherwise it may be lost to the big clear out!**
