20th June 2021 Twelfth Sunday in Ordinary Time YEAR B

Message From Bishop John Sherrington Lead Bishop for Life Issues for the Church in England and Wales

We celebrate Day for Life on Sunday 20 June 2021. This day, inaugurated by Saint John Paul II, presents an opportunity to pray for the gift of life from conception to natural death, to raise awareness of the precious gift of life, and to support the work of protecting life in its most vulnerable stages through the annual collection. This assists pro-life organisations who raise awareness, engage in parliamentary work and pastoral outreach.

Global Pandemic: The fragility of life and the reality of death has been brought into sharp focus during the Covid-19 pandemic. In the UK alone, more than 126,000 people have died from Covid-19. Yet in the face of such suffering and death, we have also witnessed the extraordinary dedication of healthcare professionals and their loving care for the sick and dying. We too have each made sacrifices for the greater good during this pandemic. These acts of heroic love are a powerful testimony to the fundamental dignity of the human person and to the respect owed to each life, particularly through proper care and love in the last moments of life.

Assisted Dying: Against this backdrop of loving care, we are now faced with the very real threat of the legalisation of 'assisted suicide' in our country. It is not a question of 'if' this challenge will come, it is now a question of 'when?' There is now a Private Members Bill in the House of Lords on so-called 'Assisted Dying' and it is only a matter of time before the issue is back in the House of Commons.

This year's theme for Day for Life focuses on assisted suicide and the respect owed to life. The online resources are produced to inform Catholics about this threat to life and to share with people our response to such a threat: a true compassion as the just response to the immense value of the human person.

Donate: Day for Life adds an authenticity to our witness to the dignity of life and this is enabled by the generosity of people in the pews supporting our work.

In 2020, we were unable to hold our annual 'Day for Life' collection due to the pandemic, our funds are very much depleted & the threats to life have never been greater. Day for Life is a simple, practical response which pushes back against 'the use and throwaway logic' often at the heart of a culture which seeks to abandon its elderly, sick and dying when 'they no longer serve our interests.'

If you can offer financial support no matter how small, please visit our Donate page.

REMINDER - PARISH MEETING ON 21st JULY - 8pm in the LARGE HALL To discuss the restoration of a Parish Pastoral Council

We would like to invite **ALL** the bodies associated with the parish to give a very brief verbal account (2 mins) of how they have fared through the pandemic, their plans for start-up as restrictions ease and their aspirations and concerns for the future. We will be contacting the leaders directly with an invitation to take part. We hope as many people as possible will take advantage of this opportunity to engage once again with the local church, and it's witness through the satellite activities of our parish, as well as being prepared to commit to new initiatives to insure we continue to function as a dynamic and vibrant community who know they are loved and guided by God.

LATEST NEWS - ADDISCOMBE WELCOMES REFUGEES

We are pleased to share positive news that, earlier this month, the Home Office confirmed they are happy to continue to approve our application in principle. This means that we can confidently proceed to find a home for a refugee family, who we hope will move into the local area very soon. Members of our group are now actively hunting the rental market and viewing houses, with a view to signing a tenancy agreement imminently.

If you know of a property that might be suitable, or a landlord that would be supportive of this cause, we'd love to hear from you! The benefits are guaranteed rental income for two years, whilst at the same time helping a family in need. Anyone interested may also find this video useful to watch: "Do you have a property you could rent to refugees? Find out why this could be the best decision ever:

In moving the last Mass of the day forward the gap between Masses is unified and it allows us to continue to offer Baptism outside the Mass at 4pm on Saturday and 1pm on Sunday, though from August we expect Baptism to be celebrated within the Mass once again.

Many thanks, Fr Keith

THE NEW NORMAL - WHAT DO WE WANT AS A PARISH?

Much has been said about "the new normal" when the pandemic allows things to settle down. The sort of comments heard have been:

- what did we *used* to do, that (for a year) we haven't and that we miss? How soon can we re-start?
- what did we *used* to do, that (for a year) we haven't and we *don't* miss? Do we *have* to pick them up again?
- what have we done in lockdown that we didn't do before but we want to keep doing?
- what have we done in lockdown that we didn't do before and will happily drop again?

An example of these might be "doing jigsaws was lovely, but after a year it's time to stop", or "having my shopping delivered was lovely but I do miss visiting the high street", or "I really missed hugging the family".

Those are all at a personal level - but what about at a parish level? We haven't had the Mass attendances of yesteryear - do those who've stayed away want to come back? I know that I do ... and the Obligation will be reintroduced at some point. Do we want to have social events again (probably "yes")? What have we missed that we can still do without? What have we done differently that we'd rather do the "old" way (like attending Mass without a mask, or receiving Holy Communion at the "usual" point of the service)?

The time has come, or is soon to arrive, when we will need to address these thoughts both as individuals and as a parish - as Fr Keith has said, it is our parish and we have a responsibility to run things while the Priests undertake their sacramental and pastoral roles. How can we do that? Do we need committees or working groups to coordinate (for example) the summer fair, the worship, the buildings and grounds, outreach and mission, so forth?

If so, who would serve on those groups? A comment has been made that some such groups are seen as parallel to the wider community's view of the Church of England - most of them don't go or get involved *but they feel comfortable knowing that it's there*. If someone in the parish feels that there should be (for example) a worship committee to assist the Priests with preparations for Easter or Christmas, what would they say if no-one stepped forward to serve on that committee?

Putting it bluntly, what only happens now because one or other of the Priests does it? And how would you feel if they stopped doing it (as being outside their sacramental and pastoral role) and it didn't happen? Would you be ready to step forward and say "I valued that; I want to ensure it continues; how can I help?" ... or would you let it die?

It's time to think ...
Andy Bebington

Thank you for standing alongside people in Zambia and for supporting people in more than 30 other countries worldwide.
