20th November 2022 Our Lord Jesus Christ, King of the Universe (page 167 of Parish Mass Book) YEAR C

Today as a Church, we conclude our liturgical year and celebrate the Feast of Christ the King. The Gospel we proclaim shows the great mystery of our faith: In the moment of his crucifixion, Jesus is shown to be King and Saviour of all.

Luke's Gospel has been loaded with surprises: the poor are rich, sinners find salvation, the Kingdom of God is found in our midst. Here we see the greatest surprise of all. We are confronted with the crucified Jesus, whom faith tells us is King and Saviour of all. The irony is that the inscription placed on the cross, perhaps in mockery, contains the profoundest of truth. As the leaders jeer, the thief crucified by his side recognizes Jesus as Messiah and King, and finds salvation.

Jesus is King, but not the kind of king we might have imagined or expected. His kingship was hidden from many of his contemporaries, but those who had the eyes of faith were able to see. As modern disciples of Jesus, we, too, struggle at times to recognize Jesus as King. Today's Gospel invites us to make our own judgment. With eyes of faith, we, too, recognize that Jesus, the crucified One, is indeed King and Saviour of all.

In the short term we have used the 'All Parishioners' Masses to pray for those displaced intentions.
