

COMMEMORATIVE 2025 CALENDAR **YOUR PHOTOS & YOUR MEMORIES**

We are now asking for any photographs you have that represents the variety and history of our church, sacramental life & parish life including the many groups that have existed and exist from the past 100 years to the present. This could be the buildings, the people and events etc. We know some of our parishioners have photographs of the previous Parish Priests. We would love to see what you have and aim to include a range and variety of them in the calendar. We are hoping to arrange a display of all the photographs submitted for all to see.

We would prefer digital photos which can be emailed to the parish office describing and dating the image. If you have printed copies, please put them in an envelope with your contact details, whether you want them returned and notes describing and dating the image. We are sure we will enjoy looking at the photographs you hand in.

If you have particular memories but do not have any photographs, please write them down, again giving your name and as many details as you can remember.

Thank you, The Calendar Girls
