**29th November 2020 First Sunday of Advent YEAR B**

Today we are commencing a new season in the liturgical year of the Roman Catholic Church that is the season of Advent. The word Advent is derived from the Latin word 'Adventus' which means the glorious arrival of an emperor to his own city. In liturgy it is a period of preparation awaiting the celebration of Christmas. There are three kinds of appearances or coming of Jesus, such as; the first was His coming that took place two thousand years ago in Bethlehem, the Second is his daily coming into our hearts through the sacrament of the Holy Eucharist, and the third is His second coming at the end of time to judge and rule as the eternal king. Therefore the preparation at Advent has a very significant start in all the spheres of our life.

The first reading of today is from the third book of the prophet Isaiah, where he speaks about the tragic states of Israelites under the Babylonian exile and at the same time the restoration by Cyrus the Persian emperor and the mixed emotional transitions of them at their arrival on their homeland.

In the second reading St. Paul speaks to the people that they are not worthy to receive the Lord at His eminent coming because they did not use the power and charisma of the Holy Spirit for the building of the Church but only for the destruction. Therefore He pleads to God for all of them.

The gospel of today encourages us not to give up our hope and trust, but alertness and attention is always necessary. Our preparation of meeting Jesus at His second coming would be related to our daily relationship with others. We must be ever eager to help others; all those who are really in need of us. This kind of selfless service and charity would definitely enable all of us to meet him face to face. Therefore this season of Advent is an immediate step in our life to welcome the Lord into our life. And let's try to build a very beautiful cradle in our hearts for the baby Jesus. Let us also pray come lord Jesus come, *Maranatha*.

### SO, WE GO BACK TO 'COVID NORMAL' ON WEDNESDAY 2nd!

That is to say, Mass is open to the public and the Covid timetable is restored for Sundays. Mass will be celebrated with restrictions and Communion distributed as the faithful leave the building. The cleaning regime between Masses will be as rigorous as before, masks must be worn, one way system and social distancing guidelines must be observed at all times.

What to do about Christmas? It is a difficult one to call, as under normal circumstances, we might have 16-18 hundred people through the building with family guests and 'once a year' worshippers etc. To accommodate such numbers we would need something like 13 Masses with the church at full capacity and that is not practical. At the same time numbers returning to Mass after the first lockdown are just over a third of our normal attendance.

The Bishop has issued some guidelines on the subject. He asks us to remember that we celebrate the **Octave** of Christmas. To attend any time during the octave would fulfil one's obligation. He then asks us to remember that the obligation remains **rescinded** at this time and will not be restored before the festival or indeed until the pandemic is over and it is safe to do so. Remember also that there continues to be a ban on congregational singing, so the Masses will not be the celebrations we have come to love and cherish as part of our Christmas routines.

However, as Baldrick might say, "I have a cunning plan". The **6pm Mass on Christmas eve**, which is by far the most populated Mass of the festival will be a **'SING-A-LONG' from home celebration**. Mass will be private in church but live streamed with all the Carols and music we will not have the opportunity to sing in church over the feast. So you can 'let rip' in your lounges with as many family and friends as you are legally allowed to gather, and as loud as you can get away with before the neighbours start knocking on the wall. In this way I hope we will be able to control the numbers of people who might be attending Mid-night Mass and the 9am, 10am, 11am and 12pm on Christmas morning. The last thing we want is to be turning people away. Fr Jackson and I look forward to celebrating Advent and Christmas with you, and thank you for your patient understanding as we continue to consider how to do so under these challenging circumstances. God bless. Fr Keith.

**AYC:** Is doing a *Christmas Themed Zoom Quiz and Bingo!* This is a great opportunity to welcome our Year 7's (age 11-12) for an evening of fun and festivities with prizes galore!

Let's spread joy and hope around the world this Christmas.

#### GOOD SHEPHERD MISSION TO THE HOMELESS

Sadly, due to restrictions imposed on our older members by the COVID pandemic and lack of further volunteers, the Good Shepherd Mission To the Homeless (GSMH) are no longer able to continue our work in distributing food, clothing and toiletries to homeless people in Lincoln's Inn and Waterloo. *Now seems to be a natural ending to nearly forty years of GSMH ministry inspired by Sr. Joan, DMJ, for which we are truly grateful.*

Our remaining funds and assets will be shared amongst other charities that support people who are homeless.

On behalf of GSMH. I would like to thank you for your generous support over the years. Without your contributions, the work could not have continued. *Sr. Sheila Barrett for GSMH*

**FRATELLI TUTTI:** The new encyclical of Pope Francis, is a message for everyone, not just Catholics or people of other faiths. The Holy Father argues that at a time of pandemic we cannot just return to politics as normal, but need to show fraternity and social friendship to build a better, more just and peaceful world. To find out more about Fratelli Tutti, please follow the links on the parish website.

#### *How can you show fraternity and social friendship in our Parish?*

Please contact one of the following groups in our Parish: the Saint Vincent de Paul Society (SVP), who visit and befriend parishioners; the Refugee Support group, who are preparing to bring a vulnerable family for resettlement in the UK, and the Justice, Peace and Integrity of Creation group, who campaign on social issues in line with Catholic social teaching. Details of how to contact these groups can be found on the website or you can contact the parish office.

**THE PASSAGE:** Is raising funds through the Big Give from 12pm Tues 1<sup>st</sup> December – 12pm Tues 8<sup>th</sup> December to support its work Helping Homeless People this winter. **Double your Donation, Double your impact.** This is a matched giving scheme for online donations. If someone (can be company, individual or trust) gave £10 online matched giving of £10 would bring the Gift up to £20 (and for individuals to £22.50 with Gift Aid with higher rate tax relief it may cost the donor less than £10).
