## This Week

This week we are on to the chapter 'Bread to Offer'.

We have moved on from learning about the first part of the mass; "The liturgy of the Word", to the second part "Liturgy of the Eucharist".

In this chapter we are thinking about how when we gather to celebrate Mass, we are remembering Jesus celebrating the last supper. We talked about the part of the Mass where the altar table is prepared for the special meal; and how helpers offer the priest our gifts of bread and wine, (offertory). Those gifts show our thankfulness for all the gifts of the earth that God has given you. Please encourage your child to look out for this part of the Mass and help them to follow the Eucharist Prayer.

During our session we have acted out the story of the feeding of the 5000 and thought about how God has given us two kinds of food, He gives us food for our bodies to keep us strong and healthy, and he has given us food for our hearts to help us to go out each day and share God's love with all we meet.

## Prayer

We often forget to thank Jesus for our food. As a family you might consider saying a prayer together before you eat, particularly at celebratory times. Giving thanks for food also reminds us of those who are hungry and have much less than we do.

Perhaps you could use this or write your own, with your children.
